

Wrapped Pumpkin Wreath

Wrapped Pumpkin Wreath

MEASUREMENT

Approx 14" [35.5 cm] diameter.

MATERIALS

- **Bernat® Blanket Extra Thick®** (21.2 oz/600 g; 72 yds/66 m)
- **Contrast A** Vintage White (62008)
1 ball or 38 yds/34.5 m
- **Contrast B** Pumpkin (62086)
1 ball or 27 yds/24.5 m
- 14" [35.5 cm] diameter Styrofoam wreath form.
- 4" [10 cm] Styrofoam ball.
- 3" [8.5 cm] piece of stick for Pumpkin stem.
- Scissors.
- Hot glue gun and glue sticks.

Glue one end of A to back of Wreath.

Wrap A around Wreath until wreath is evenly covered, making sure there are no gaps in the yarn.

Once Wreath is fully covered, cut yarn and glue end to back of Wreath.

With B, repeat Steps 1 to 3 to cover 4" [10 cm] Styrofoam ball. Glue stick for stem securely into top of ball.

Cut 6" [15 cm] length of A for hanging loop. Fold in half and glue securely to back of Wreath at top. [This step is optional if you would like to use a wreath hanger instead].

ABBREVIATIONS

Approx = Approximately

Glue Styrofoam Pumpkin to center bottom of Wreath.

Cut 12" [30.5 cm] length of B. Tie into bow and glue to center top of Wreath.

NON-KNIT/CROCHET
