DIRECTIONS

Cut yarn to 2.5-2.75" uniform lengths as needed. It is easiest to wrap yarn around an object such as a ruler or a pom pom maker to get consistent lengths.

Follow chart to hook the design. Leave a 1" border around the working area.

HOW TO HOOK YARN

1. Fold yarn in half, hold tails and insert hook through the loop created by the fold.
 2. Insert hook under a horizontal bar of the mesh from bottom to top.
 3. Open the hook, wrap the yarn around the hook, drawing the yarn into the latch hook opening.
 4. Gently pull the hook toward you and out from the mesh while releasing the tails from your grip, ensuring the lever closes and both tails are pulled through.
- Once complete, trim the ends to a uniform length.

OPTIONS FOR FINISHING

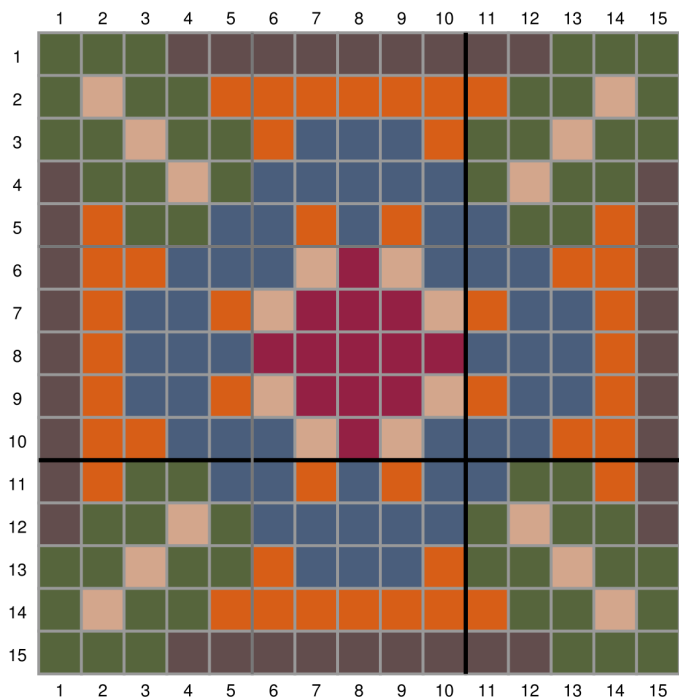

1. Trim the mesh for a quick and simple finish.
2. Trim mesh leaving one open square around the perimeter. Using yarn and yarn needle, whip stitch around the perimeter.
3. Use your favorite rug binding and follow product instructions for trimming and finishing.
