Pom-Poms with Pom-Pom Maker

Follow package instructions to make a pom-pom.

Pom-Poms by Hand

Cut a strand of yarn, about 12 in. (30.5 cm) long, fold strand in half and set aside. Spread the fingers of one hand then wrap yarn around fingers – the more wraps, the fuller the pom-pom. Cut working yarn. Thread doubled set-aside strand of yarn between fingers and around center of wraps and knot tightly. Cut ends of wraps and fluff pom-pom.

FINISHING

Glue pom-poms to wreath form. Fold ribbon length in half to make a hanging loop. Glue loop to Wreath.
