

Cozy Crochet Snow Hat Ornament:

A Charming Holiday Decoration

Cozy Crochet Snow Hat Ornament: A Charming Holiday Decoration

DESIGNER: Joy Macdonell

BEGINNER

SIZE

- **Finished Diameter:**
About 1.5 inches (3.81 cm)
- **Finished Height:**
About 2 inches (5.08 cm).

GAUGE

- Gauge is not critical for this project.

MATERIALS

- Lion Brand® Heartland® Yarn in **Kings Canyon** and **Badlands**
- Prym® crochet hook size **J (6 mm)**
- Toilet paper cardboard roll
- Ruler and pencil
- Scissors
- Tapestry needle
- Stitch marker
- Polyfill

NOTES

- Make one for a single ornament or gift wrap embellishment, or make several to create a garland.
- The right side will face you as you work.

SNOW HAT ORNAMENT INSTRUCTIONS:

Begin:

1. Using a ruler and pencil, make a line $\frac{1}{2}$ inch down from the edge of the toilet paper cardboard roll. Cut along the marked line.
2. Wind approximately 12 yards (10.97 meters) into a small yarn ball. You will use this ball to wrap the yarn for the brim of the hat.

Start Crochet:

1. Make a slip knot and place it on your hook.
2. Insert your hook through the middle of the cardboard tube.
3. Yarn over the outside of the tube and pull the yarn through the loop on your hook.
4. Wrap the yarn around the tube 4-5 times.

Round 1:

1. Make a single crochet (sc) stitch around the tube:
 - A. Insert your hook through the middle of the tube.

B. Yarn over the outside of the tube and pull through a loop (two loops on your hook).

C. Yarn over and pull the yarn through the two loops on your hook.

2. Place a stitch marker in the top of the first sc.
3. Make sc stitches around the tube, wrapping the yarn 4-5 times around the tube between stitches until the stitches and the wrap completely cover the tube, ending with an even number of stitches. (Exact stitch count is not important; the goal is to completely cover the tube with yarn wrap and sc stitches.)
4. Slip stitch (sl st) into the top of the first sc made to join (the st with the stitch marker). Remove the marker.

Round 5:

1. Decrease round: Chain 1 (place marker), sc in every other st.
2. Slip stitch into the top of the first sc to join, and reposition the marker.

Closing Hat:

1. Fasten off.

2. Thread the end of the yarn onto a tapestry needle and sew through the remaining stitches, pulling to close; weave in ends.

FINISHING:

Following the Pom-Pom Maker package directions, make a small pom-pom. Tie off the pom-pom with a 20-inch (50.8 cm) length of contrasting color yarn. Tie a knot 5 inches (12.7 cm) from the loose ends of yarn. Create a second small pom-pom, tie off with the ends of the pom-pom tassel, and trim to shape the final pom-pom.

ABBREVIATIONS

- **ch** = chain
- **rnd(s)** = rounds
- **sc** = single crochet
- **st(s)** = stitches
- **sl st** = slip stitch
- **beg** = beginning
