**REPEAT ROWS 3-10 UNTIL HEADBAND REACHES APPROX
CIRCUMFERENCE 19-21"**

Using the 5" tail, weave in and out across the width of the headband following the stitch pattern then pull tight like a drawstring.

This will create a cinch.

Weave the tail back in the other direction and pull tight a second time.

This will amplify the cinch effect

Fasten and secure the end and fasten off.
