Round 20: k

Round 21: p

Rounds 22 – 34: k

Round 35: p

Round 36: k

Round 37: p

Round 38: k

BO. Leave 5" tail
Block.

Using the 5" tail, weave in and out across the width of the headband following the stitch pattern then pull tight like a drawstring.

This will create a cinch.

Weave the tail back in the other direction and pull tight a second time.

This will amplify the cinch effect

Fasten and secure the end and fasten off.
