Wrap A 60 times around cardboard.

Draw the 12 in. (30.5 cm) length under the strands and tie tightly for top of tassel.

Cut loops at lower edge of cardboard.

Wrap the 24 in. (61 cm) length of yarn several times around all strands of Tassel, about 1 in. (2.5 cm) below top tie.

Knot securely; thread ends onto blunt needle and weave ends to center of Tassel.

Trim Tassel ends evenly.

Make 4 Tassels with A, and 3 Tassels each with B and C.

Cut a 42 in (106.5 cm) length of A for base of Garland.

Fold 2 in. (5 cm) back at one end and knot to make a hanging loop.

Thread end of this strand onto blunt needle.

Thread 5 beads, then center of one A tassel onto the strand.

Thread 5 beads, then center of one B tassel onto the strand.

Thread 5 beads, then center of one C tassel onto the strand.

Continue to thread beads and tassels, alternating the tassel colors, onto the strand until all tassels have been strung. End by stringing 5 beads.
