Pompom Tassel Lanyard

EASY

SIZE

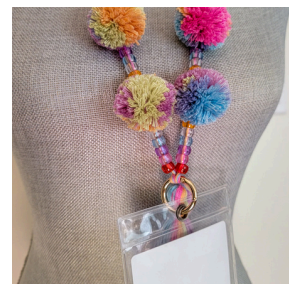

About 16" [40 cm] hang/drop length, excluding tassel

MATERIALS

- DK (3) Weight Yarn
- Clover Jumbo Tapestry Needle (Bent Point)
- Clover Patchwork Mini Scissors
- Clover Pompom Maker (35)
- Clover Tassel Maker (9940)
- 1 Key Ring of your choice
- Translucent Pony Beads

STEPS:

1. Make 4 pompoms.
Wrap the yarn around the pompom maker 80 times on one side and 80 times on the other.
2. Make 1 tassel.
Wrap the yarn around the tassel maker 100 times.
3. Cut three strands of yarn that are roughly fifty inches long. Attach your key ring to the midsection of the long yarn.
4. Attach the tassel to the lanyard's middle section, which is where the key ring is tied.
5. Insert 8 beads (or more as desired) into one lanyard section. Tie a knot tightly around the lanyard to attach one pompom. Add about 8 more beads (or as many as you want) and tie another pompom.
6. Repeat the process for the other lanyard section.
7. Add more beads to both lanyard sections until the desired length is achieved.
8. To securely fasten the lanyard, tie the ends together. Weave each end into the beads.
