Finished length: Approximately 60 inches (152 cm). Finished width: Approximately 6 inches (15 cm).

GAUGE

12 stitches x 12 rows = approximately 4 inches

MATERIALS

- ROWAN Kidsilk Haze (or similar mohair yarn), 1 ball (2 for a long scarf)
- KATIA Mykonos (or similar ribbon yarn), 1 ball (2 for a long scarf).
- CLOVER Pro Takumi® Circular Knitting Needles, size 10

NOTES

- 1 . Scarf can be made with a variety of yarns and needle sizes.
- 2 . The actual length of the scarf is determined by the knitter.
- 3 .Knit a sample swatch to test your yarn choice and needle size before knitting the scarf.

SCARF

Cast on 18 stitches, using your favorite cast-on method.
Knit 6 rows using knit stitches (garter stitch). This will look like 3 rows on each side of your scarf.

For row 7, knit 1 stitch, then gently wrap the yarns around your needle 3 times. Repeat across the row, making wraps between stitches. Finish with the 18th stitch as normal.

Start the next row by knitting the first stitch, then dropping the wrapped loops off the needle. Continue in this way across the row, knitting the stitches and dropping the wrapped loops. Finish with the last stitch as normal.

Gently pull on the scarf to straighten the dropped loops and even out the dropped effect.

Continue to knit the scarf repeating this pattern of 6 rows of knitting, then a dropped stitch row.

When your scarf is long enough for your taste, bind off the last set of 6 rows.

FINISHING

Weave in ends.
